

Title	Award Type	Programme Description	Description	Value
BSc (Applied & Computational Mathematics) Stage 2 Scholarship	Scholarship	Science	awarded based on performance in the Stage 1 modules ACM10060, MATH10350	1,000
BSc (Applied & Computational Mathematics) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in an individual subject area	1,000
BSc (Applied & Computational Mathematics) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assesment in the BSc programme	1,000
BSc (Biochemistry & Molecular Biology) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in individual subject areas	1,000
BSc (Biochemistry & Molecular Biology) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assesment in the BSc programme	1,000
BSc (Biology) Stage 2 Scholarship	Scholarship	Science	awarded based on performance in the modules BIOL 10110 and BIOL10130 or BIOL 10140 or BMOL 10030	1,000
BSc (Cell & Molecular Biology) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in individual subject areas	1,000
BSc (Cell & Molecular Biology) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assesment in the BSc programme	1,000
BSc (Chemistry) Stage 2 Scholarship	Scholarship	Science	awarded based on performance in the module CHEM 10050	1,000
BSc (Chemistry) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in individual subject areas	1,000
BSc (Chemistry) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assesment in the BSc programme	1,000
BSc (Computer Science with Data Science) Stage 4 Scholarship	Scholarship	Computer Science	This award is to recognise the high achievement of the top student in Stage 3 of the Computer Science with Data Science Major of the BSc (Computer Science) Degree.	1,000
BSc (Computer Science) Stage 2 Scholarship	Scholarship	Computer Science	awarded based on performance in the modules COMP10110, COMP 10120, COMP 10040	1,000
BSc (Computer Science) Stage 3 Scholarship	Scholarship	Computer Science	awarded based on student performance in individual subject areas	1,000
BSc (Computer Science) Stage 4 Scholarship	Scholarship	Computer Science	awarded on the results of the Stage 3 assesment in the BSc programme	1,000
BSc (Environmental Biology) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in individual subject areas	1,000
BSc (Environmental Biology) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assesment in the BSc programme	1,000
BSc (Financial Mathematics) Stage 3 Scholarship	Scholarship	Science	awarded to students who are progressing with Financial Maths in Stage 3 on the basis of their performance in Stage 2 in that subject area	1,000
BSc (Financial Mathematics) Stage 4 Scholarship	Scholarship	Science	awarded to students who are progressing with Financial Maths in Stage 4 on the basis of their performance in Stage 3 in that subject area	1,000

Title	Award Type	Programme Description	Description	Value
BSc (Genetics) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in individual subject areas	1,000
BSc (Genetics) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assessment in the BSc programme	1,000
BSc (Geology) Stage 2 Scholarship	Scholarship	Science	awarded based on performance in the module GEOL 10060 or the module GEOL10020	1,000
BSc (Geology) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in individual subject areas	1,000
BSc (Geology) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assessment in the BSc programme	1,000
BSc (Mathematics) Stage 2 Scholarship	Scholarship	Science	awarded based on performance in the modules MATH10350 and MATH10340	1,000
BSc (Mathematics) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in individual subject areas	1,000
BSc (Mathematics) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assessment in the BSc programme	1,000
BSc (Medicinal Chemistry & Chemical Biology) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in individual subject areas	1,000
BSc (Medicinal Chemistry & Chemical Biology) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assessment in the BSc programme	1,000
BSc (Microbiology) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in individual subject areas	1,000
BSc (Microbiology) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assessment in the BSc programme	1,000
BSc (Neuroscience) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in individual subject areas	1,000
BSc (Neuroscience) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assessment in the BSc programme	1,000
BSc (Pharmacology) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in individual subject areas	1,000
BSc (Pharmacology) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assessment in the BSc programme	1,000
BSc (Physics with Astronomy & Space Science) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in individual subject areas	1,000
BSc (Physics with Astronomy & Space Science) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assessment in the BSc programme	1,000
BSc (Physics) Stage 2 Scholarship	Scholarship	Science	awarded based on performance in modules PHYC10080, MATH10340	1,000
BSc (Physics) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in individual subject areas	1,000
BSc (Physics) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assessment in the BSc programme	1,000

Title	Award Type	Programme Description	Description	Value
BSc (Physiology) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in individual subject areas	1,000
BSc (Physiology) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assessment in the BSc programme	1,000
BSc (Plant Biology) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in individual subject areas	1,000
BSc (Plant Biology) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assessment in the BSc programme	1,000
BSc (Science, Mathematics and Education) Stage 3 Scholarship	Scholarship	Science	Science Mathematics and Education encompasses the five following pathways: Applied Mathematics, Mathematics and Education Biology, Mathematics and Education Chemistry, Mathematics and Education Physics, Mathematics and Education Computer Science, Mathematics and Education	1,000
BSc (Science, Mathematics and Education) Stage 4 Scholarship	Scholarship	Science	Science, Mathematics and Education encompasses the four following pathways: * Applied Mathematics, Mathematics and Education * Biology, Mathematics and Education * Chemistry, Mathematics and Education * Physics, Mathematics and Education	1,000
BSc (Statistics) Stage 2 Scholarship	Scholarship	Science	awarded based on performance in the modules MATH10350 and STAT10060	1,000
BSc (Statistics) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in individual subject areas	1,000
BSc (Statistics) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assessment in the BSc programme	1,000
BSc (Theoretical Physics) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in individual subject areas	1,000
BSc (Theoretical Physics) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assessment in the BSc programme	1,000
BSc (Zoology) Stage 3 Scholarship	Scholarship	Science	awarded based on student performance in individual subject areas	1,000
BSc (Zoology) Stage 4 Scholarship	Scholarship	Science	awarded on the results of the Stage 3 assessment in the BSc programme	1,000
BSc Sustainability Stage 2 Award	Award	BSc Sustainability	awarded on basis of best results in Stage GPA of Stage 1, provided the student obtains a GPA of ≥ 3.68 in their stage.	500

Title	Award Type	Programme Description	Description	Value
Bachelor of Actuarial and Financial Studies Stage 2 Scholarship	Scholarship	BAFS	awarded on the results of Stage 1 of BAFS programme	1,000
Bachelor of Actuarial and Financial Studies Stage 3 Scholarship	Scholarship	BAFS	awarded on the results of Stage 2 of the BAFS programme	1,000
Bachelor of Actuarial and Financial Studies Stage 4 Scholarship	Scholarship	BAFS	awarded on the results of Stage 3 of the BAFS programme	1,000
