

Title:	Devenish Animal Nutrition Award
Award Type:	Award
Programme Description:	Agricultural Science
Long Description:	<p>UCD's School of Agriculture and Food Science delivers a range of science-based degrees in support of the Agri-Food industry. The School places great emphasis on the value of this science base and it differentiates UCD BAgSc graduates from others nationally. This is further evidenced in the delivery of science based, applied modules such as Animal Nutrition I (ANSC 20020) and Animal Nutrition II (ANSC 30040).</p> <p>Devenish Nutrition will provide a single monetary award of EUR1,000 to the student who receives the highest combined grades in the modules Animal Nutrition I (ANSC 20020) and Animal Nutrition II (ANSC 30040).</p>
Value:	1,000
