

Title:	MSc Sport Management Medal
Award Type:	Medal
Programme Description:	
Long Description:	An award by the Centre for Sports Studies to the student with the Highest Degree GPA in the MSc Sport Management. This programme has achieved international recognition in recent years, and consequently, we like to establish an award that recognises students' academic excellence and adds another possible reason for students to choose this course over our competitors. The establishment of this award may also further motivate students to perform well on the programme, and will add another component to graduation day for these students through the award of this medal
