

Title:	Olive Fleming Medal
Award Type:	Medal
Programme Description:	
Long Description:	Awarded by the Irish Institute of Radiography and Radiation Therapy for Best Practical Student in the Graduating Class as nominated by the clinical departments. Students will be nominated from each of the undergraduate entry radiography (UER) and graduate entry radiography (GER) sites by the local Practice Tutor in each centre. From this group of students, the overall Stage 4 (UER) / Stage 3 (GER) clinical grades awarded will be reviewed at the end of the Programme and the students with the highest overall Clinical Practice grade for the final Stage will be the recipient of the medal.
Value:
