

Title:	O'Farrell Medal
Award Type:	Medal
Programme Description:	
Long Description:	This medal has been established in memory of the late Dr O'Farrell by his widow. Dr O'Farrell was a radiologist who had a major role in initiating radiography education in Ireland. It is awarded to the candidate who, having passed the stage 4 examinations as a whole, achieves the highest grade for the research project presented as part of the degree examination in Radiography.
