

Title:	Grant Thornton PWE Excellence Awards
Award Type:	Award
Programme Description:	
Long Description:	<p>The School of Agriculture and Food Science have established prizes with the support of Industry for a number of years which recognize the efforts of our students in their acquisition of professional work experience in support of their undergraduate education. Grant Thornton have a strong record in accepting our student applicants for placements for a number of years. Grant Thornton have strong links developed in the School and will be making a contribution and awards into another undergraduate academic course in the School from 2016/17. The School strongly supports the PWE programme which is embedded in the academic curriculum as a core module in 10 programmes in Stage 3 in the BAgSc and BSc degree programmes. The awards recognise Excellence in PWE through a competitive process from among the best students coming forward from each programme each year through School Awards at the Annual prize-giving. Monetary awards for Excellence in PWE, supporting the School Awards, have been provided since 2011.</p>
Value:	1,500
