

Title:	BSc Sustainability Stage 2 Award
Award Type:	Award
Programme Description:	BSc Sustainability
Long Description:	<p>The BSc Sustainability is a new cross-College programme established under HCI funding and is governed under the Liberal Arts and Sciences Board. This programme is attracting significant interest via the CAO from very high achieving students. The first intake to Stage 2 will take place in September 2021. The purpose of two proposed scholarships will be to:</p> <ul style="list-style-type: none">? Retain, recognise and motivate an excellent and diverse cohort of students in the BSc Sustainability.? Provide identity and visibility to interdisciplinary education in Sustainability.? Celebrate student achievement and excellence. <p>There is no specific intention to use the award to promote EDI, but we will be mindful of EDI considerations in reviewing the operation of the scholarship</p>
Value:	500
