| Title: | BSc (Statistics) Stage 3 Scholarship |
| Award Type: | Scholarship |
| Programme Description: | Science |
| Long Description: | The scholarship for Statistics is awarded in Stage 3 to the student of that subject with the best performance in the subject area in Stage 2 provided the student obtains a GPA of 3.68 or higher in that subject area and is progressing into that subject area in Stage 3. A subject area is defined by modules that a student must take in Stage 2 to proceed within that subject to degree level. |
| Value: | 1,000 |
