Description	Title	Award Type	Description	Value
College of Engineering & Architecture	Arup Structural Engineering with Architecture Medal	Medal	awarded to the student achieving the highest Grade Point Average (GPA) in the ME (Structural Engineering with Architecture) degree programme	
College of Engineering & Architecture	Convery Medal for Environmental Policy	Medal	awarded for outstanding academic achievement by a graduate student in the area of environmental policy	
College of Engineering & Architecture	DePuy Synthes EGA Gold Medal for Materials Science and Engineering	Medal	awarded to the student who achieves first class honours and the highest GPA in the final year of ME (Materials Science & Engineering) programme	
College of Engineering & Architecture	EGA Gold Medal for Biosystems Engineering	Medal	awarded to the student who achieves first class honours and the highest Grade Point Average (GPA) in the final year of the ME (Biosystems & Food Engineering)	
College of Engineering & Architecture	EGA Gold Medal for Engineering with Business	Medal	awarded to the student who achieves first class honours and the highest GPA in the final year of the ME (Engineering with Business) degree programme	
College of Engineering & Architecture	Palliare EGA Gold Medal for Biomedical Engineering	Medal	awarded to the student who achieves first class honours and the highest GPA in the final year of the ME (Biomedical) degree programme	
College of Engineering & Architecture	RPS EGA Gold Medal for Civil Engineering	Medal	awarded to the student who achieves the highest Grade Point Average (GPA) in the ME (Civil), ME (Civil & Environmental) or ME (Structural) degree programmes	
College of Engineering & Architecture	UCD Eli Lilly ME Chemical and Bioprocess Engineering Research Project Award	Award	awarded to the individual who achieves the highest overall grade in the 30 credit module CHEN40590 ME CBE Research Project.	500
School of Architecture	RTPI Prize	Prize	awarded to a top student following the completion of the first year of the Masters in Regional and Urban Planning	
School of Architecture	Thomas Ivory Medal	Medal	awarded to the highest placed student in the Professional Diploma (Architecture) PDARCH002	
School of Biosystems Engineering	Vincent A. Dodd Medal in Biosystems Engineering	Medal	awarded to the student who achieves first class honours and the highest Grade Point Average (GPA) in the final year of the ME (Biosystems & Food Engineering) programme	
School of Chemical and Bioprocess Engineering	Carthy Business Plan Award	Award	awarded to the group who achieve the highest overall grade in the 5 credit module CHEN40660 CBE Business Plan.	1,500
School of Chemical and Bioprocess Engineering	The Brendan O'Callaghan Award in Biopharmaceutical Engineering	Award	medal and cash prize awarded to the student with the highest GPA upon completion of the 90 credit Biopharmaceutical Engineering MEngSc programme	1,500

Description	Title	Award Type	Description	Value
School of Civil, Structural & Environmental Eng	Michéal Mac Cárthaigh Research Project Award	Award	awarded to the best individual ME/MEngSc/BE research project from the areas of water, wastewater, hydrology and environmental engineering.	3,000
School of Civil, Structural & Environmental Eng	Roughan O'Donovan Prize	Prize	awarded to student(s) in the final stage of the ME Civil Engineering, ME Civil, Structural and Environmental Engineering, and ME Structural Engineering with Architecture with the highest mark in the dissertation	500
School of Civil, Structural & Environmental Eng	Tiernan Byrne Bursary	Scholarship	awarded to support a UCD School of Civil Engineering student who is experiencing unexpected financial difficulties	2,000
School of Electrical and Electronic & Engineering	Airtricity EGA Gold Medal for Electrical Engineering	Medal	awarded to the student who achieves first class honours and the highest GPA in the final year of the ME (Electrical Energy) degree programme	
School of Electrical and Electronic & Engineering	Analog Devices Scholarships in Electronic and Computer Engineering	Scholarship	awarded to stimulate excellent students in UCD to pursue programmes in Electronic & Computer Engineering, in particular to ME level.	2,000
School of Electrical and Electronic & Engineering	Arup Scholarship in Electrical Engineering	Scholarship	awarded to a high-performing 3rd year student of Electrical Engineering progressing to any of the ME programmes on the basis of Stage 3 GPA score, personal statement and interview	2,500
School of Electrical and Electronic & Engineering	James G Lacy Award for Project Excellence in ME Programmes	Award	awarded for the best Master of Engineering project that demonstrates excellence in the innovative application of electrical engineering principles within the full range of disciplines of Engineering.	1,000
School of Electrical and Electronic & Engineering	Renesas Technologies Gold Medal for Electronic Engineering	Medal	awarded to the student who achieves first class honours and the highest GPA in the final year of the ME (Electronic & Computer) degree programme	
School of Mechanical & Materials Engineering	ATA Réalta Master in Engineering Scholarship	Scholarship	awarded to a Stage 3 Mechanical Engineering student in order to provide funding for the fifth year of an ME degree programme	26,000
School of Mechanical & Materials Engineering	Arup Scholarship in Mechanical Engineering	Scholarship	awarded to a high-performing 3rd year student of Mechanical Engineering progressing to any of the ME programmes on the basis of Stage 3 GPA score, personal statement and interview	2,500
School of Mechanical & Materials Engineering	BOC Postgraduate Symposium Award	Award	awarded to a postgraduate student on the presentation of their postgraduate research work	1,500
School of Mechanical & Materials Engineering	CRH EGA Gold Medal for Mechanical Engineering	Medal	awarded to the student who achieves first class honours and the highest GPA in the final year of the ME (Mechanical) or ME (Materials Science & Engineering) programme	

Description	Title	Award Type	Description	Value
School of Mechanical & Materials Engineering	Deloitte Medal	Medal	awarded to the student achieving first place in the graduating ME (Management) class.	
School of Mechanical & Materials Engineering	Timoney Postgraduate Research Award	Medal and Prize	awarded for the most outstanding postgraduate research work in Mechanical Engineering	
School of Mechanical & Materials Engineering	UCD-Intel Masters Scholarships	Scholarship	The Intel Masters Scholarship is awarded to outstanding students in the Colleges of Science and Engineering & Architecture who are entering into their penultimate year of study in an eligible programme. Intel have selected the following programmes which align with their hiring pipeline: Masters programmes offered by UCD Engineering: - ME Mechanical Engineering - ME Materials Science and Engineering - MEngSc Materials Science and Engineering - ME Chemical and Bioprocess Engineering - ME Electronic & Computer Engineering College of Science: - MSc Nanomaterials Chemistry (School of Chemistry) - MSc Nanotechnology (School of Physics) - MSc in Computer Science (School of Computer Science)	3,000
