

Description	Title	Award Type	Description	Value
School of Biology & Environmental Science	Botany Medal	Medal	awarded to the student who gains first place in the class in the Single Honours Plant Biology Degree Examination	
School of Biology & Environmental Science	Dr. Frank Lynch Medal in Microbiology	Medal	awarded to a Science student for the final year research project that is considered to make the most significant contribution to fundamental knowledge in applied microbiology	
School of Biology & Environmental Science	Environmental Biology Medal	Medal	awarded to the student who gains first place in the class in the BSc Honours Degree in Environmental Biology.	
School of Biology & Environmental Science	Medal in Cell & Molecular Biology	Medal	awarded to the final year student with 1st class honours and highest GPA in the Cell & Molecular degree programme	
School of Biology & Environmental Science	Zoology Medal	Medal	awarded to the student who gains first place in the class in the Single Honours Zoology Degree	
School of Biomolecular & Biomedical Science	Genetics Medal	Medal	awarded to the top student in Stage 4 of the BSc in Genetics programme	
School of Biomolecular & Biomedical Science	Hussey Award	Award	awarded to the top graduating student in the BSc Microbiology class	
School of Biomolecular & Biomedical Science	Joy Carey Prize	Medal	awarded to the Biochemistry Honours Final Year student judged to have completed the best project	
School of Biomolecular & Biomedical Science	Lisa Dalton Medal	Medal	awarded annually to the Stage 3 Pharmacology student who has obtained the highest mark in the School's stage 2 practical modules BMOL20070 and BMOL20080	
School of Biomolecular & Biomedical Science	Michael G. Harrington Medal	Medal	awarded to the candidate who obtains first place in the graduating class from the BSc (Honours) Degree Examination in Biochemistry.	
School of Biomolecular & Biomedical Science	Neuroscience Medal	Medal	awarded to the top student in Stage 4 of the BSc in Neuroscience programme	
School of Biomolecular & Biomedical Science	Regan Medal for Pharmacology	Medal	awarded to the candidate who obtains first place in the BSc (Honours) Degree Examination in Pharmacology	
School of Biomolecular & Biomedical Science	Roddy Monks Prize	Prize	awarded in Stage 4 to the student in Pharmacology who has obtained the highest mark in the practical component of the course in the previous year (Stage 3)	
School of Chemistry	Dervilla Donnelly Medal	Medal	awarded to the student who obtains first place in Medicinal Chemistry & Chemical Biology based on the results of the BSc (Honours) Degree Examination	
School of Chemistry	Eva Philbin Medal	Medal	awarded to the candidate who obtains first place in Chemistry in third year examinations	

Description	Title	Award Type	Description	Value
School of Chemistry	Frank Hegarty Medal	Medal	awarded to the top student in Stage 3 of the B.Sc. Medicinal Chemistry & Chemical Biology, provided they have also achieved first class honours	
School of Chemistry	Howard Sidebottom Medal	Medal	awarded to the top performing student in Stage 4 of the B.Sc. Chemistry with Environmental & Sustainable Chemistry.	
School of Chemistry	Hugh Ryan Memorial Medal	Medal	awarded to the student who obtains first place in Chemistry based on the results of the BSc (Honours) Degree Examination	
School of Chemistry	Rory More O'Ferrall Medal	Medal	awarded to the candidate who obtains the highest aggregate marks in Chemistry in selected second year examinations	
School of Computer Science	Franz Geiselbrechtinger Medal	Medal	awarded to a student in the School of Computer Science and Informatics submitting the best final year project in module COMP30910 on a theoretical topic in Computer Science	350
School of Computer Science	John Kelly Memorial Medal	Medal	awarded to the candidate who obtains first place in the final year BSc (Honours) Degree Examination in Computer Science	350
School of Computer Science	Patrick Smyth Medal	Medal	awarded each year to the student on the BSc in Computer Science and Computer Science with Data Science programmes who achieves the highest Stage 3 GPA	
School of Geological Sciences	Ben Kennedy Mapping Prize	Prize	awarded each year to the student(s) in the School of Earth Sciences submitting the best final year mapping project(s) in GEOL40510: Geological Mapping Research, achieving an A- grade or better.	350
School of Geological Sciences	Patrick J O'Donoghue Memorial Award	Prize	awarded to the student attaining the highest GPA in the core Stage 2 Geology modules, who continues with Geology in Stage 3	150
School of Mathematical Science	Acumen Human Resources Work Placement Award	Prize	awarded on the basis of the BAFS Work Placement module in the BSc in Actuarial and Financial Studies in Stage 3	250
School of Mathematical Science	Casey Medal	Medal	awarded to the student who obtains first place in BSc Mathematics.	
School of Mathematical Science	Conway Gold Medal	Medal	awarded to the student who obtains First Class Honours in the BSc Honours Degree and who obtains the highest average mark in five of their Stage 4 modules in Applied & Computational Mathematics	

Description	Title	Award Type	Description	Value
School of Mathematical Science	Fr Ciaran Ryan Prize	Prize	awarded to the candidate who obtains First Class Honours in Stage 3 modules in Applied & Computational Mathematics and who obtains the highest average mark in five core Applied & Computational Mathematics modules within the 3rd academic year	260
School of Mathematical Science	Irish Life Prize in Statistics - 1st prize	Prize	awarded on the results of the combined Level 2 Actuarial and Financial Studies examinations in the subjects Probability Theory and Inferential Statistics.	500
School of Mathematical Science	Irish Life Prizes in Statistics - 2nd prize	Prize	awarded on the results of the combined Level 2 Actuarial and Financial Studies examinations in the subjects Probability Theory and Inferential Statistics	250
School of Mathematical Science	Keating Prize	Prize	awarded to the candidate who obtains First Class Honours in Stage 2 modules in Applied & Computational Mathematics and who obtains 1st place in four of their core Applied & Computational Mathematics modules within the 2nd academic year	130
School of Mathematical Science	Mercer (Human Resource Consulting) Prize	Prize	awarded on the results of the level 1 examination in Japanese, Irish or Italian in the Actuarial and Financial Studies degree programme	400
School of Mathematical Science	Milliman Prize in Stochastic Models	Prize	awarded on the basis of the Level 3 Actuarial and Financial Studies course in Stochastic Models	400
School of Mathematical Science	New Ireland Prize	Prize	awarded on the results of the CB2 subjects in Actuarial and Financial Studies. In the event of a tie, the School can decide to award the scholarship to the student with the highest percentage mark in the modules.	500
School of Mathematical Science	Orr Prize	Prize	awarded to the candidate who obtains First Class Honours in Level 1 modules in Applied & Computational Mathematics and obtains 1st Place in their Applied & Computational Mathematics core modules within the 1st Academic year	130
School of Mathematical Science	SIG Financial Mathematics Award	Prize	awarded to student who obtains the highest mark in the module, Computational Finance, ACM30070 if the mark is at least 70%. In the event of a tie, the prize will be split between the two students.	250
School of Mathematical Science	Society of Actuaries in Ireland Prize	Prize	awarded based on the results of the BAFS degree examinations	500
School of Mathematical Science	Towers Watson Prizes in Survival Models	Prize	awarded on the basis of the Level 3 Actuarial and Financial Studies course in Survival Models	

Description	Title	Award Type	Description	Value
School of Mathematical Science	Zurich Life Prize in Fundamentals of Actuarial Mathematics	Prize	awarded to the student who obtains the highest results in the Level 2 BAFS examination of Fundamentals of Actuarial and Financial Mathematics	500
School of Physics	O'Raifeartaigh Medal and Prize	Medal and Prize	awarded to the student who obtains 1st class honours and first place in class in the Theoretical Physics BSc (Hons) degree	150
School of Physics	The Michael Grimley Stage 4 Advanced Laboratories Prize	Medal and Prize	awarded to students registered to the stage 4 advanced lab modules (PHYC40600 and PHYC40970) who have demonstrated excellence in their approach to their laboratory work over the two trimesters	200
School of Physics	The Porter Medal	Medal and Prize	awarded to the student who obtains 1st class honours and first place in class in the Physics with Astronomy & Space Science BSc (Hons) degree	150
School of Physics	Thomas E. Nevin Medal and Prize	Medal and Prize	awarded to the candidate who has obtained First Class Honours and first place in the BSc (Honours) Degree Examination in Physics.	150
